**WEST VIRGINIA BULLETIN NO:** WV300-8-8

**SUBJECT:** LTP- Contract Completion Incentive Payment Deadline

**Purpose:** To provide NRCS employees with the extended deadline for payment of contract completion incentives.

**Expiration Date:** September 30, 2008

National Headquarters extended the deadline for first year Contract Completion Incentive (CCIA) payments to January 15, 2008. Please check your Field Office for contracts eligible for the CCIA payment, and make them if appropriate. Remember, all structural practices in the contract must be completed to receive a CCI.

If the participant is not eligible for the CCIA payment before January 15, 2008, you must modify the contract by deleting the CCIA practice and adding the CCIB practice.

If you have questions or need additional information, please contact Herbert Andrick, ASTC-Programs at (304) 284-7560.
